Survey Options

Surveys are completely customizable to measure what you need to know and are easily administered 24/7 through secure online access.

Organizational Development/ Employee Engagement Surveys

DISC Personal Reports reveal a person's "how" by analyzing natural and adapted behavioral factors. You may find these reports valuable for personal and professional development, hiring, and many job-related situations.

360/Personal Performance Surveys

Personal effectiveness within each key position is crucial to the ongoing success of the organization. 360 surveys allow respondents to provide valuable feedback regarding the effectiveness of another individual's performance. The results of 360 surveys are then used to enhance and develop the individual.

Product and Service Feedback Surveys

Providing the best products or services to your clients is critical to success. A customer feedback survey will give you the valuable feedback you need to ensure your clients will continue to support your organization. The customer feedback survey also tells your clients that you care about your relationship with them. Get the facts related to the success of your new marketing plan, or an evaluation of a new product.

Since each survey can be customized to suit your needs, you are in control of the parameters. You choose the survey titles, content, respondent instructions, demographic filters, categories, questions, rating scales and comment areas. Survey results can be viewed in a variety of report options, including mean score, unfavorable/favorable, frequency distribution and written comments report.

ODsurveys Plus brings all the value with minimal time investment. With the ability to complete surveys anywhere, anytime, it is fast and easy to obtain crucial decision-making information that will support continued organizational success.
